

Fuji Electric

AC Drives Warranty Policy for Standard Drives

For complete warranty details please refer to Fuji Electric Corp. of America’s Terms & Conditions, provided separately and available on our web-site www.americas.fujielectric.com. For all inquiries related to the AC Drives Warranty Policy, please contact Fuji Electric Corp of America’s service department for assistance: (510) 440-1060 or x-fea-acdr_service@fujielectric.com.

The AC Drives Product Standard Warranty period is 36 months from date of shipment and covers all parts of the product provided by Fuji Electric Corp. of America. Please see the table below for pricing and part numbers for Extended Warranty orders, which are available for Standard Drives only.

NOTE: The Extended Warranty must be ordered at the same time the product is ordered and on the same purchase order. Limited to U.S. installations only.

| <u>Standard Drives</u> | | |
|--|-------------------------------------|---------------------|
